### La'Ofek - We Can LIGHT Up Their Lives!

The story begins in 2006, when Rav Yosef Zvi Rimon founded JobKatif. This unique initiative helped 3,000 evacuees integrate into the work force and rebuild their lives, overturning an 85% unemployment rate into an 88% employment success.

Having completed its mission, Rav Rimon, at the request of the government, decided to apply the organization's knowledge and experience to other sectors in Israeli society: Vulnerable sectors and people in crisis. Soldiers from socio-economically depressed households. At-risk and lone soldiers. Ethiopian-Israelis studying to become nurses and occupational therapists. Those severely hurt by the Corona pandemic.

Today, having already assisted 10,000+ Israelis, these programs are helping more than 1,000 individuals annually strive towards a future imbued with greater independence and financial security. La'Ofek's employment-based programs are life-changers for Israel's vulnerable sectors, bringing them new hope and promise.

Rav Rimon is the paragon of chesed; and our shul membership has gladly followed his lead and supported him in his vital work.

May we continue to financially support those in need, perform true chesed, and reach the highest form of tzedakah by supporting La'Ofek's life-changing programs.

Contributions can be made payable to the Shomrei Israel Fund: either by check, earmarked La'Ofek or on line at [www.shomreiemunah.org](http://www.shomreiemunah.org) by clicking on "Donate". Under "Payment Details" and "Type", click La'Ofek which is listed under Israel Fund. Thank you!

Kol Hanaarim– Father and Son Learning – every Friday evening during the winter at 7:45 to 8:30 p.m. in The Shul. Chulent and other refreshments are served. Each session is 'topped off' at the end with a fascinating story. For any questions, please see Rabbi Itzkowitz.
